

General Information about Birthday Parties

Tate Farms has put together packages that let you relax and enjoy your child's party experience.

Prices in packages are for children ages 23 months and older and adults of all ages. If an adult stays, they will be counted. The birthday person will be admitted free of charge.

Parties cannot be booked more than 3 months in advance. Tate Farms requires one-half total cost of area rental or party package/area rental, whichever is greater at time of reservation. Final count must be given 48 hours in advance.

We accept cash, check or Master Card/Visa credit cards for payment.

Please check in at the admission office in the Barn upon arrival to meet with an event staff member. They will escort you to your assigned party area. At the conclusion of your party, please come back to the admission office in the Barn for final payment.

Tate Farms event staff will determine the departure times for private hay rides and corn train rides.

Rental areas and parties are for 3 hours maximum. Should you require additional time; an additional fee of 50.00 per hour will be charged.

Picnic tables may not be held earlier than your reserved time or later than your reserved time. Please remove food, decorations and gift items at the conclusion of your reserved party time.

You may email Tate Farms a guest list of the names that you will be paying for to Info@TateFarmspumpkins.com 24 hours prior to your event. This list will allow your guest's entrance to Tate Farms without the need for you to remain at the admission office until the last person arrives. We'll check off the guests as they arrive and let them know where the assigned party area is located. Names not listed, will be charged the quoted party package admission price.

We would like to cater your event, but you are welcome to bring your own food. You may borrow one of our wagons to transport party items to your designated area. Vehicles ARE NOT allowed past the front entrance. If you need assistance or extra time transporting items to the party site, please plan accordingly.

We are not allowed to store your food in our kitchen, due to Madison County Health Department regulations.

No pets, smoking or alcoholic beverages allowed.

We offer a la carte items to add to your party package. Want something not listed? Just ask us, and we'll do our best to accommodate you.

Your rental will include enough seating for the number of people in your party.
